

Malfunction of your smoke alarms - urgent inspection required

Hello,

The Techem company has informed us that one or more smoke alarms in your flat **are not working correctly**. You have received a letter to that effect from Techem.

An inspection of the smoke alarms is urgently required! Please call **Techem** immediately **on 0800 2001264 (free 24-hour hotline)**. You can also contact them by **e-mail at: eiltausch-rwm@techem.de**

Smoke alarms save lives! Malfunctioning smoke alarms endanger you and your neighbours in the event of a fire! Take immediate action. Many thanks

Yours faithfully
